CENTRE MANAGERS REPORT

Programme Updates:

Ignite tumbling will be compulsory for Flare and Magma in 2025.

A new Open level 3 team was formed (Inferno) at the end of September attracting coaches back into the sport, Victoria Vipers athletes to compete for Ignite and an athlete from Masterton.

Try outs for 2025 cheer teams will be held first week in December.

Excel & WAG have increased in numbers coming into term 4.

December Gym camp has opened to get a gauge of interest from December 18-20th, with an extra session being run on Monday 23rd to capture those parents with last minute Christmas shopping to do.

The club purchased a new computer for the office which was warmly welcomed by the admin staff.

We were unsuccessful with the uniform grant; Gemma will try again for just summer singlets followed up in December with full application again for puffers, long sleeves etc.

Hutt Valley Gymnastics have 5 WAG, 1 MAG athletes and 1 WAG coach selected to compete in Texas, we are incredibly proud of this.

A sprinkler survey was performed by our landlord for the first time since we moved into the premises. Their opinion is that there is no fire protection under the grandstand for the gear we have

stored under there. Argosy quoted \$5956 + GST to install – Centre Manager declined. This means we are unable to store anything under there without sprinklers, so we will investigate getting a second opinion on the matter.

Chocolate and wine fundraisers have started, new contracts & employee handbook are in progress.
