Exciting News

One of our very own Mel Sales was made a Life Member for Hutt Valley Gymnastics at the recent AGM. Mel has given tirelessly to the Club over many years, being Head Coach for Gym For All, arranging festivals, numerous coaches and many more.

Please congratulate Mel with us for such a deserving award!

Prizegiving

The past few weeks have been exciting with all the Prizegiving's been held. Of course with numbers limited putting a slight dampener on numbers, good old technology helped to allow us to include families. We'd love to congratulate all the athletes, so here's a few snaps.

Fundraising

Our awesome Fundraising committee have been hard at work to arrange getting the Club some more funds. This is so we can have good, suitable equipment for all the athletes. With a lack of funding out there at the moment, fundraising and sponsorship is the only thing we can turn to, to ensure Gymnastics and Cheer are still affordable for families. Please help out if you can, more hands make light work.

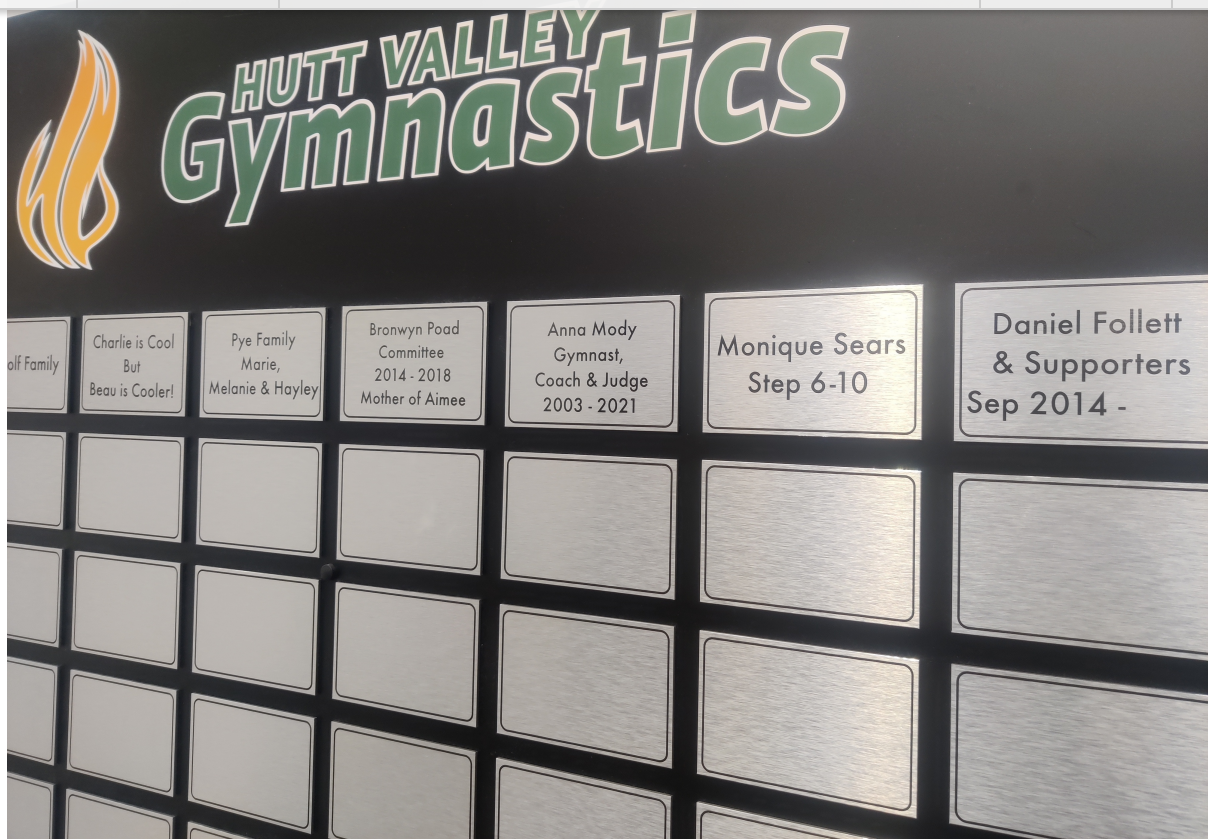

Tile Wall

Hutt Valley Gymnastics is offering present and past members the opportunity to purchase an engraved tile which is now being displayed on the wall in our new premises. It's a fantastic opportunity to support the club, while at the same time having a permanent reminder of the connection your family and gymnast will always have to Hutt Valley Gymnastics.

The "tiles" are \$300 each, and can contain the gymnast's name or the family name, and the years the gymnast was a member (if applicable).

Please email the wording which you would like to appear on your tile (up to 40 characters).

Thank you for your support!

Golf Day

Darren and the team arranged an amazing day out golfing, which helped raise around \$12,000, which is going towards new gym equipment. There was laughter, bonding, food, auctions, and a great day had by all.

Thanks Darren and team for arranging such a cool day!

Coach's Corner

Originally from Colombia, Milton has coached Cheerleading and Tumble since 2007. He has competed with BCA (Bogotá Cheer Athletics) numerous times nationally and internationally, and placed 2nd in the International Open Coed Level 6 (currently level 7) at USASF Cheerleading Worlds 2013. Milton is our Ignite Cheerleading Programme Manager at Hutt Valley Gymnastics, and coaches many of our tumbling classes as well as Cheerleading teams.

As a Sport Science Professional, he likes to link the theory and practice of different exercises in Cheerleading and Tumble, giving some interesting facts about why our body is a perfect machine.

His goal for the next season is to build the new cheerleaders generation from Ignite to proudly represent Hutt Valley Gymnastics and bring joy to our community.

Christmas Closedown

It's hard to believe that Christmas is not far away, and 2022 not far behind. It's obvious when we say this year has been another crazy year due to Lockdown. With that, we have decided on our Christmas closedown for 2021.

The gym will be closed from the evening of Monday 20th December.

The gym will re-open for Term 1 classes at the start of Term 1.

We wish you all a very Merry Christmas and safe holidays, and we can't wait to see you next year for an amazing 2022.
